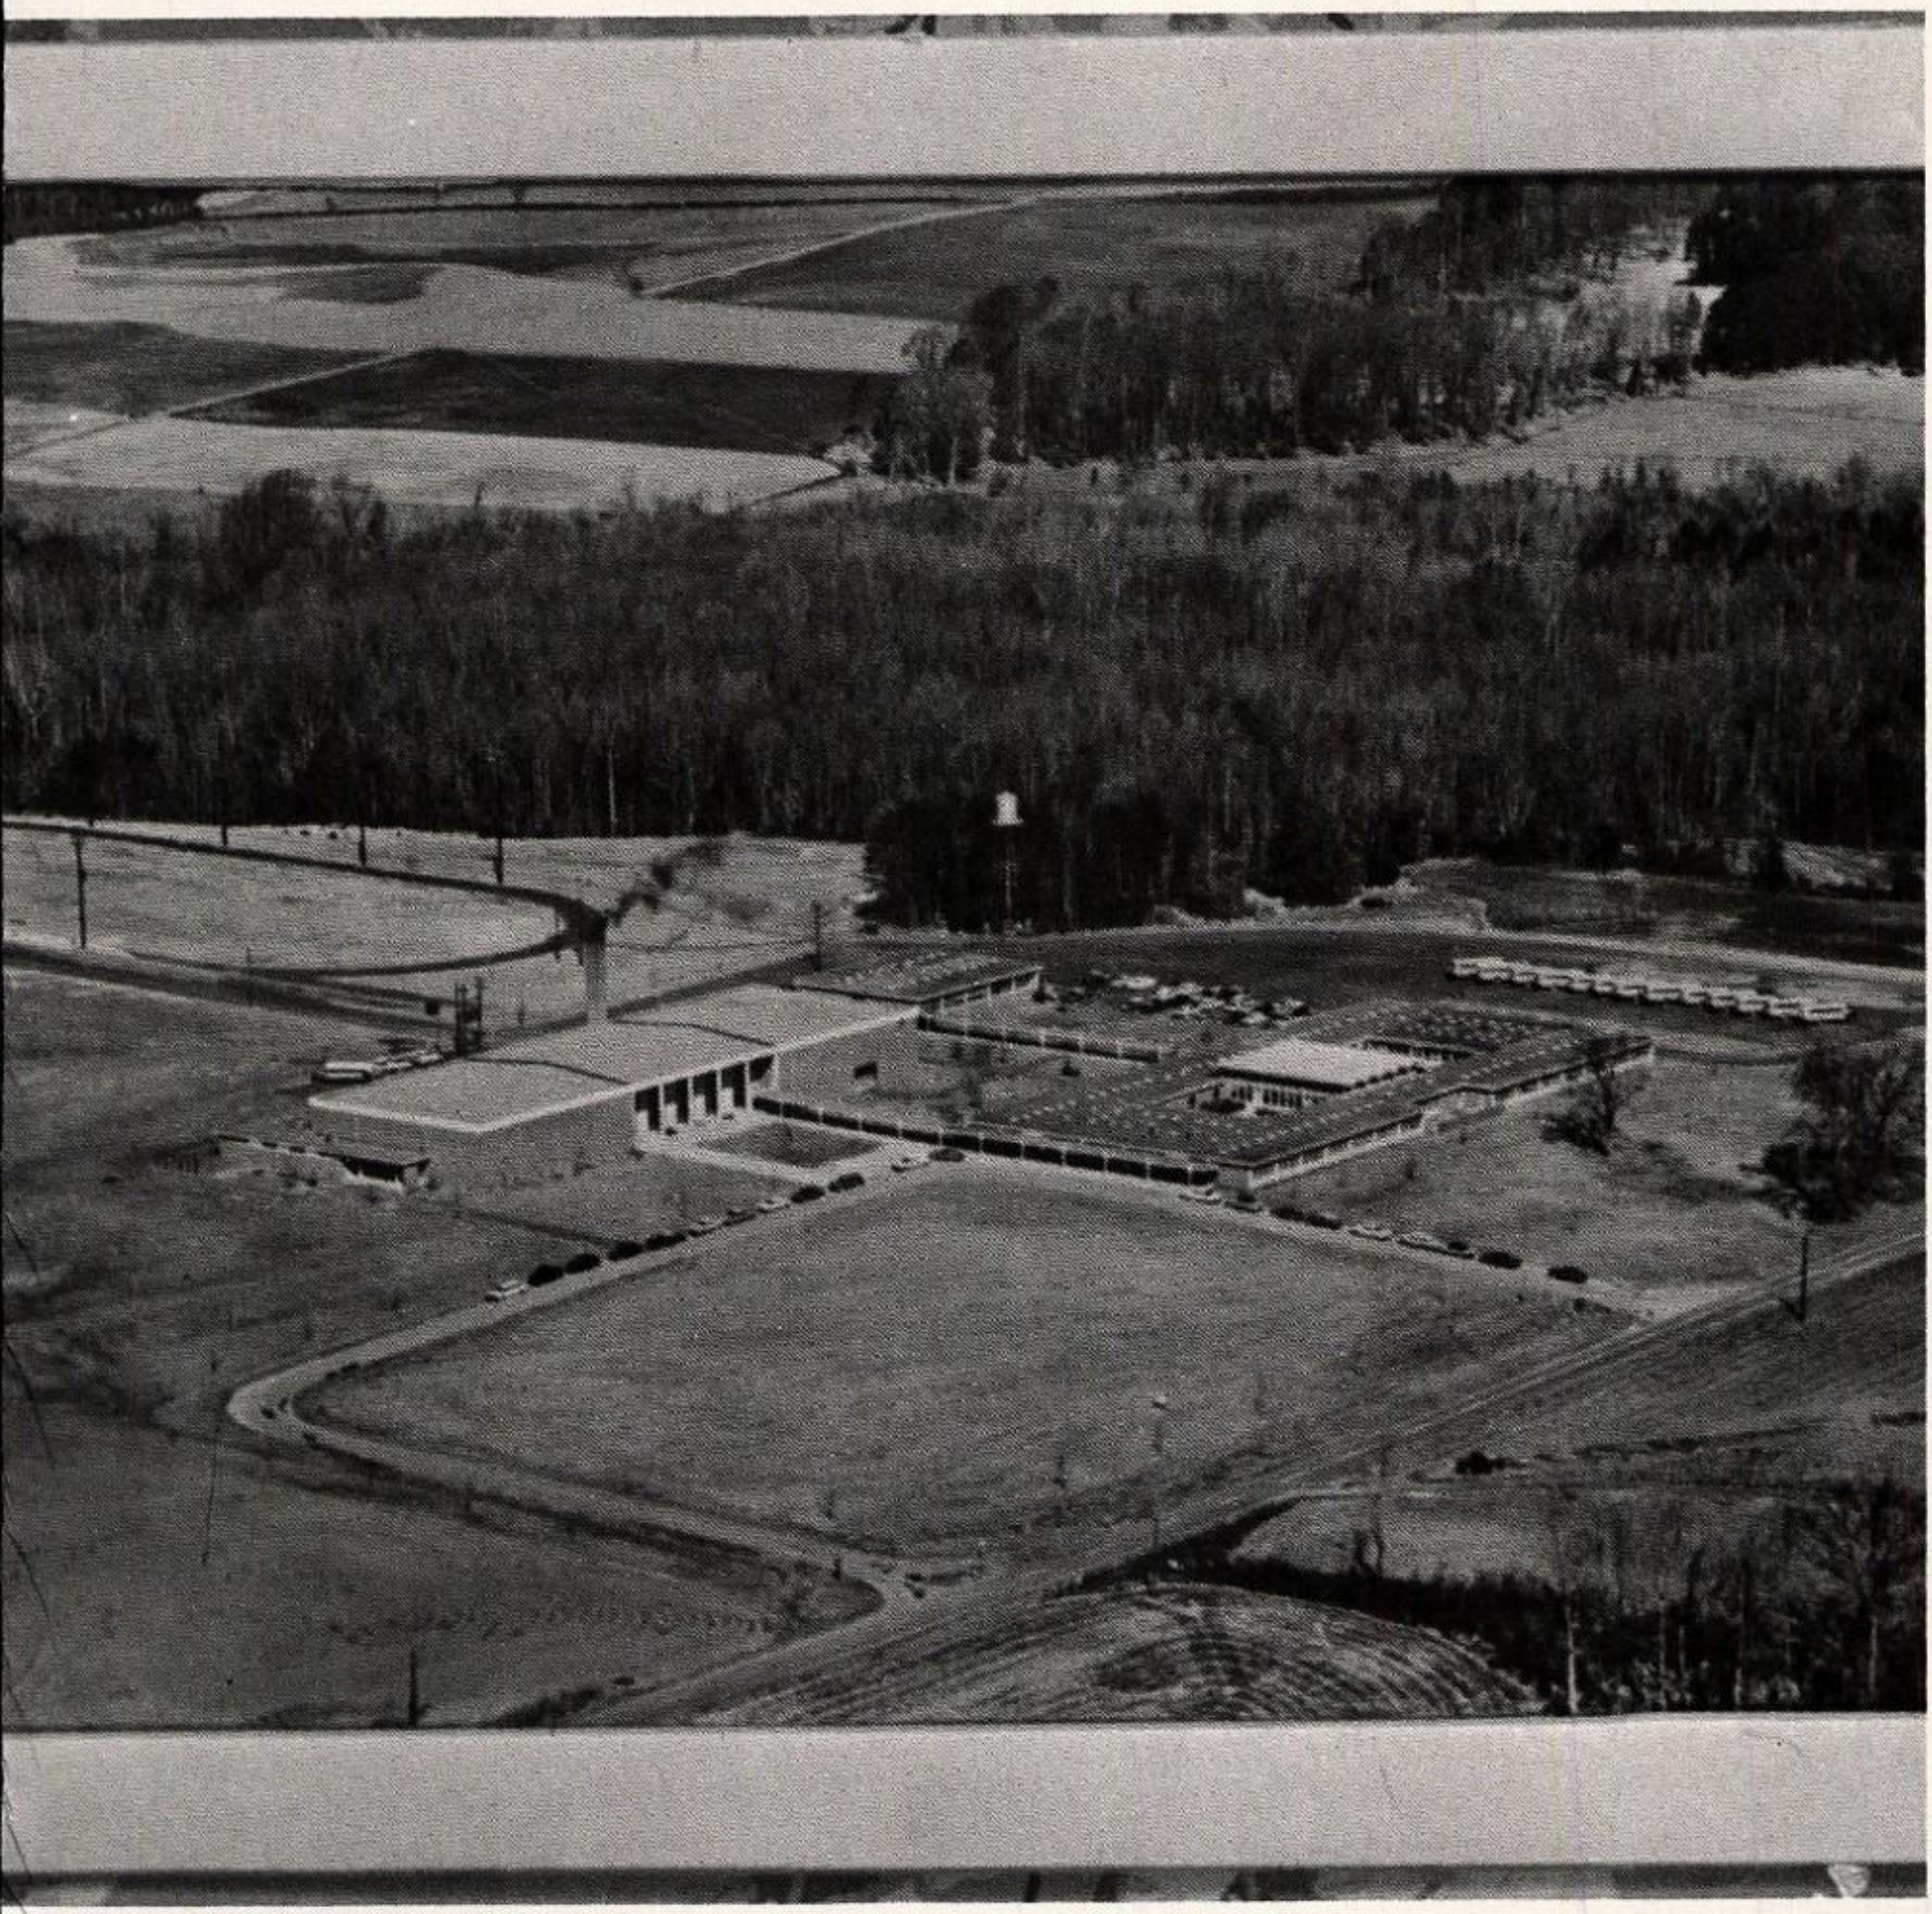
reviews

West Rowan High School was erected in 1958 by John V. Barger and Company, General Contractors with Leslie N. Boney serving as architect. Four schools, Hurley, Mount Ulla, Woodleaf, and Cleveland consolidated to form the school. At the International Educational Building Conference in London, West Rowan, along with twenty-seven other schools in this county, was selected to be on display in the American Embassy.



and remembers

A school...what is it? To fulfill its purpose it must function as more than a lecture hall. A school must contribute to the physical, spiritual, and social, as well as mental, development of its pupils. A school must mold and shape the futures of its pupils. West is such a place. We shall try to examine these spheres of existence.

Administrative Guidance

In addition to Dr. Greer's administrative duties, he takes out time to advise the individual student.

To members of the graduating class:

If you will think for a moment about the changes which have taken place in science, industry, and communications just during the twelve years you have attended school, you must recognize that yours is an era of change and that you will need to continue learning throughout your life. If we have helped you develop a continuing desire to learn and the basic skills to enable you to learn, we have succeeded; if not, we have failed you.

As you continue to learn and to increase your ability to contribute to society, I am sure the entire faculty wishes you well. Please visit the school often and let us know what you are doing and how you are getting along.

Personal Interest

Dedication:

"The teacher who walks in the shadow of the temple, among his followers, gives not of his wisdom but rather of his faith and lovingness."

Kahlil Gibran

Because she is our teacher, we respect her.
Because she is our leader, we admire her.
Because she is our friend, we love her.
For all these qualities and more, we, the West Wind staff of 1965 do humbly dedicate this annual to Mrs. Pauline Graham.

Social

We found places to have fun ... and ways ... the lounge...the bonfires...the dances...long walks between classes, sometimes made longer...we used our imaginations for the (gasp!) initiations...we ended an exciting day with the Homecoming Dance...all awaited the climax: the Junior-Senior Prom...

Boy-girl relationships make up an important part of our social development.

Pep rallies are made rousing events by the crackling of a bonfire.

Enrichment

Dances are the nucleus of our social activities.

Physical

Students not taking P. E. get much exercise on their way up to the lounge.

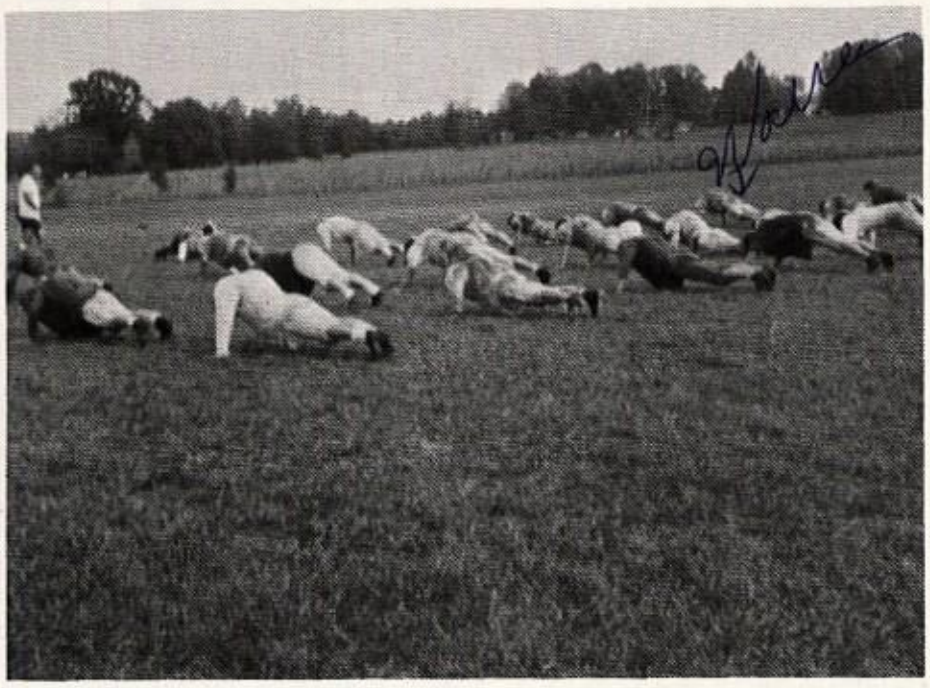
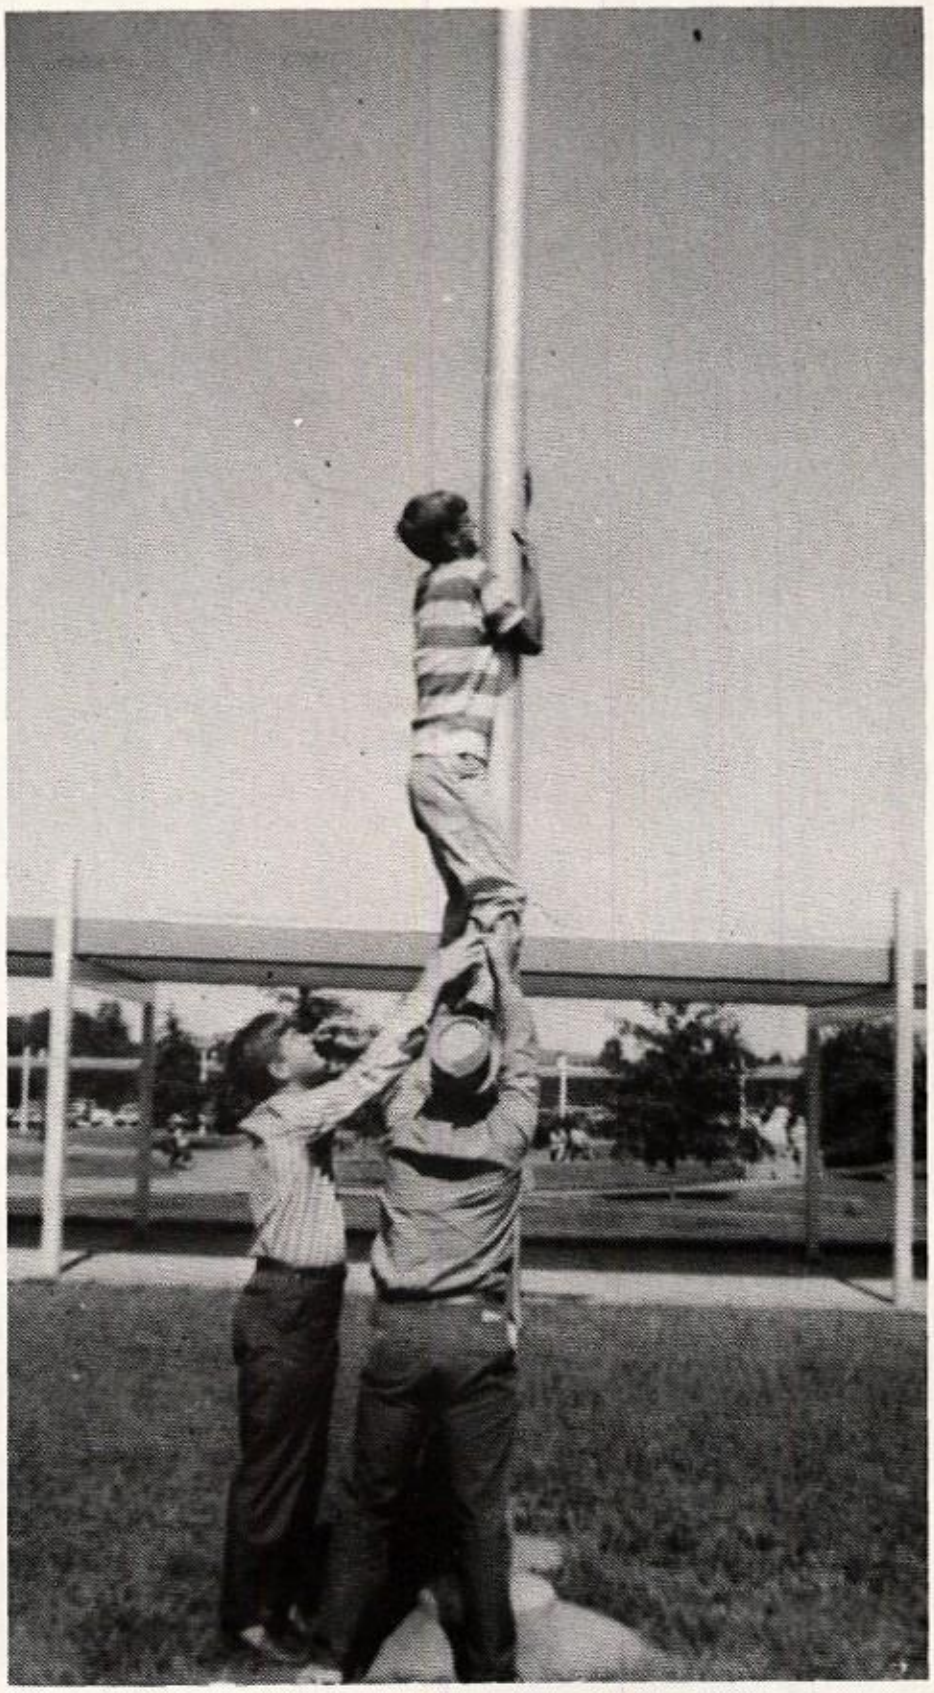
Development



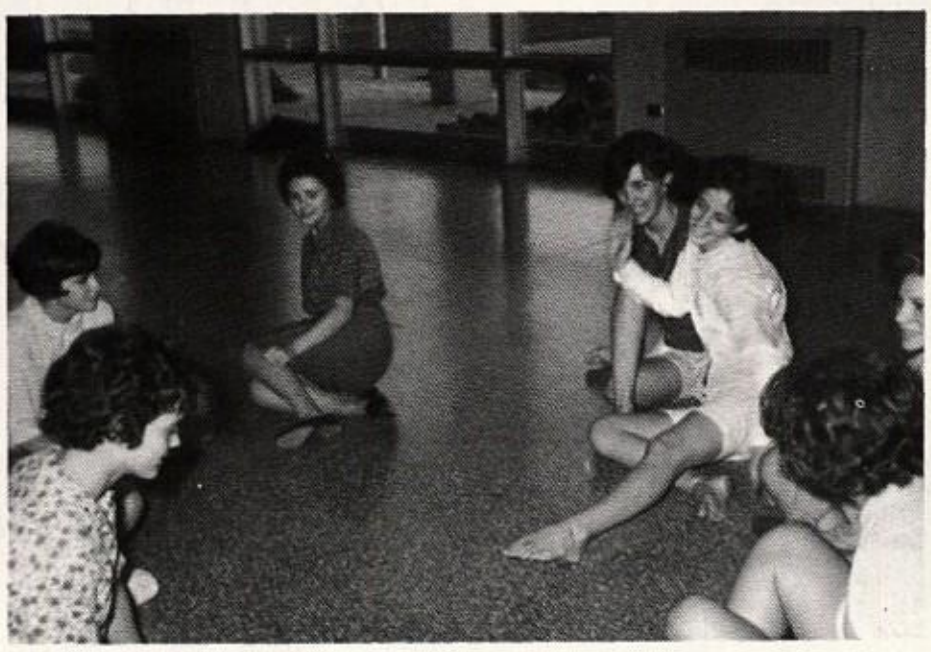
One down, one hundred ninety-nine to go. Football heroes don't feel so heroic after an afternoon of calisthenics.

Constant calisthenics... sometimes we wonder if they'll ever end. Physical fitness tests beleaguer sophomores as well as freshmen. Satisfaction comes with the realization that all the work has made one a better, healthier person.

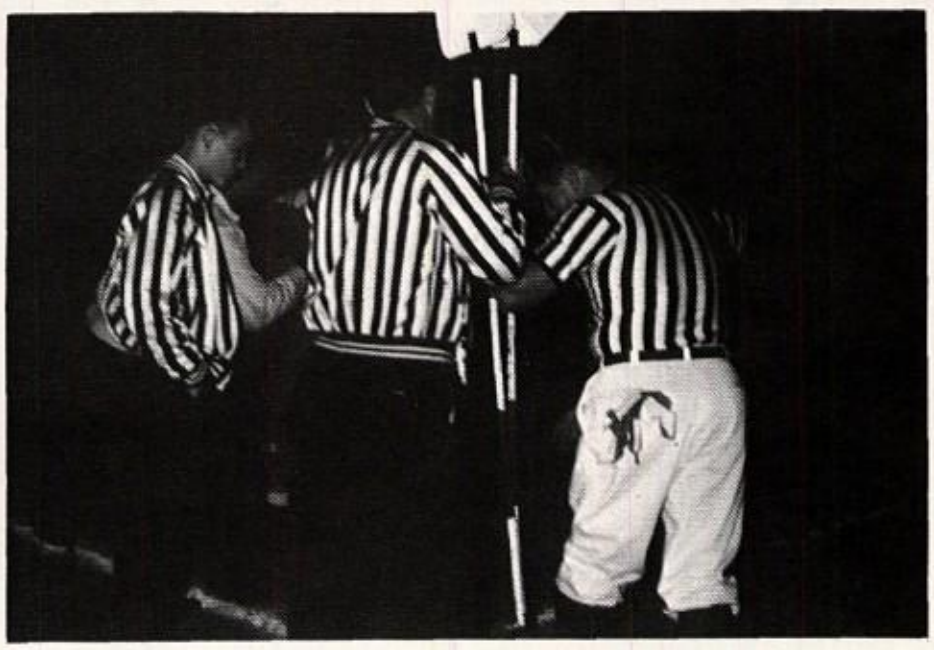


Another flunkie of the Physical Fitness Test.

Barbara, does that wild tale have anything to do with cheerleading?



Like it or not, referees are essential mediators of high school athletics.



ACADEMIC

ACHIEVEMENTS

We walked on the edge of the new year...new in every respect...massive buildings stood empty, devoid of tradition. We faltered, waited for we know not what from this infant year...we waited for the imprint West Rowan would make on our lives...for it to show us ourselves. Our place at West...scholar?...student leader? ...dependable follower?...unconcerned rock-thrower? ...Have we found it...does the search for ourselves begin, continue, or end with West Rowan? We can and must, keep the lamp of knowledge burning for ourselves, ...reflecting other persons, other ideas...but kindled and nurtured by our own will to learn.

English

Existing to develop the vital communication skills: reading, writing, speaking, listening...presenting a sequential program for the minimum of repetition and the maximum of opportunity for learning skills.

Contributing to the smooth operation of the library, several students dedicated one hour a day to learning about librarianship through practical work around the circulation desk...from this group the core of the Library Club is formed...exploring the endless paths of literature and ideas...maturing, growing, storing the priceless thoughts that are harvested...

The purposes of the West Rowan Business Club are: (1) To stimulate an active, growing interest in the gigantic world of business as a broad field of opportunity for youth. (2) To aid the business education classes in preparing competent students and aggressive participation in a business occupation. (3) To encourage in membership the development of essential traits such as good character, cooperative ability, patriotism, thrift, and useful citizenship.

Business

Business education consists of courses and activities in the area of business designed to meet the common needs of all students and the vocational needs of students who desire to prepare for employment in business.

The content of basic business courses available to any student is determined by an analysis of the business activities and business problems common to most people. Basic business education provides for the development of knowledge, skills, habits, attitudes, ideals, and appreciations that contribute to successful living.

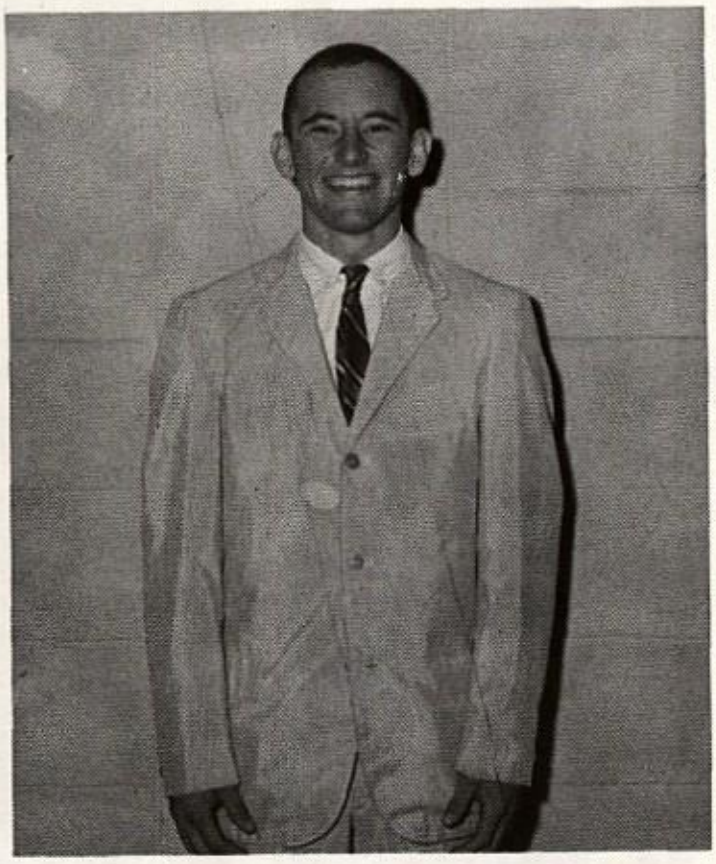
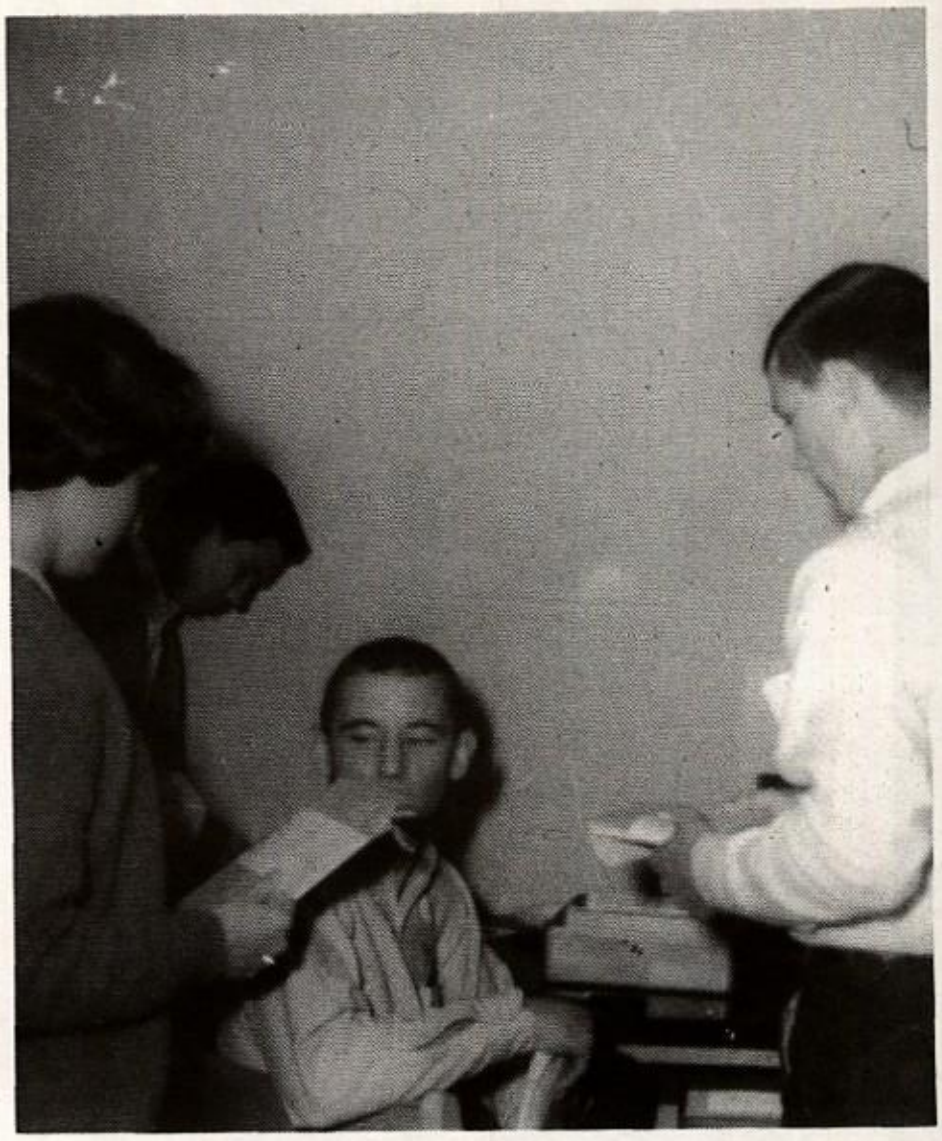
Student

The Student Council is the only organization that serves every student in the school. Representatives who meet scholastic and citizenship requirements are selected from each homeroom. The officers are chosen in an annual spring election. Some of the projects sponsored this year by the council were the Homecoming Dance, picture sales, lounge regulations, and White Christmas.



Grady Hall led the West Rowan Student Council in the academic year 1964-65.



Managing the annual picture drive is a major responsibility of the Student Council.

The West Wind Staff is composed of members of all four classes and an advisor who work diligently in an attempt to top last year's annual. Although the main part of the annual is laid out during third period, long sessions are also held after school. The staff is constantly confronted with endless, nervewracking problems--What the students should wear for school pictures; how to get the annuals sold; what to do with those mountains of pictures which have to be taken; and how to keep prying eyes from learning the secrets of our masterpiece. But some how everything falls into place, and the deadline is reached.

One of the West Wind Staff's many duties is to identify the individual pictures.

Homecoming was a great success this year. The Student Council sponsored the dance. Entertainment was provided by the Tempests of Charlotte that were enjoyed at last year's Junior-Senior. At half-time the 1964-65 homecoming queen, Terry Caldwell, was crowned. That night also, the activity bus was presented to the student body by the Boosters Club. During the first quarter, George Ervin caught a pass from quarterback, Tommy Hendren, and raced into the end-zone. North scored its only touchdown on a fumbled punt. Late in the second quarter, West drove to the North two yard line and Tommy Hendren plunged into the end-zone on a quarterback sneak. West has improved immensely since the beginning of the season under the coaching of Gerald Hasty and Doug Chalk.

Childrens' Home: West traveled to Childrens' Home for their third conference tilt of the season. The Falcons' only score came in the first half when Mickey Jackson went over the goal line on a short dive. The Methodists' only score came in the third period. The Falcons dominated possession of the ball most of the first half and part of the second. Despite the conditions the Falcons battled the Methodists to a 6 to 6 tie.

Davie County: After receiving the opening kick-off, the Falcons made a success of their first play from the line of scrimmage. Wade Morgan made a terrific 72 yard run over the left tackle for the first Falcon score. The Falcons scored in the second period by a quick scamper from fullback Bill Poston. The Falcons made several tremendous goal line stands and held the Rebels to only one touchdown in the fourth quarter making the score 12 to 6 in the Falcons' favor. East Rowan: West went to East for their fifth conference game this year. East got their first touchdown after recovering a fumble on the West 25 yard line. The Mustangs got their second T.D. after the Falcons fumbled on the 5 yard line. After a drive of 73 yards, Jackson took the ball over for another 6 points. George Ervin intercepted an East Rowan aerial attempt in the last few minutes of the fourth quarter to halt the East drive.

Monroe: The Falcons broke all of their previous records by stomping Monroe 38 to 0. After intercepting a pass on the 40 yard line, Mickey Jackson set up the first Falcon score. Wade Morgan went in from the 4 yard line for the first score. West recovered a fumble on its own 40 yard line. In several plays, Wade Morgan made the second score from the 10 yard line. In the second period Mickey Jackson scored on a 2 yard plunge. Tommy Hendren upped the Falcons' score in the third period. The fourth period was dominated by the Falcons again. Bill Poston raced 15 yards for the fifth touchdown, and Joe Early ran in on a sneak from the 1 yard line, clinching the final score.

Troutman: West surrendered their last game of the season to the Troutman Bobcats. Troutman secured the opening kick-off and early in the game scored the first touchdown. In the second half, tension grew when Troutman's quarterback made a desperate attempt to pass; but the ball was caught then dropped by one of West's linemen. Troutman's fullback picked up the ball and scored. Coach Hasty considered the play an incomplete pass; but the officials called it a fumble, and Troutman won 12-6.

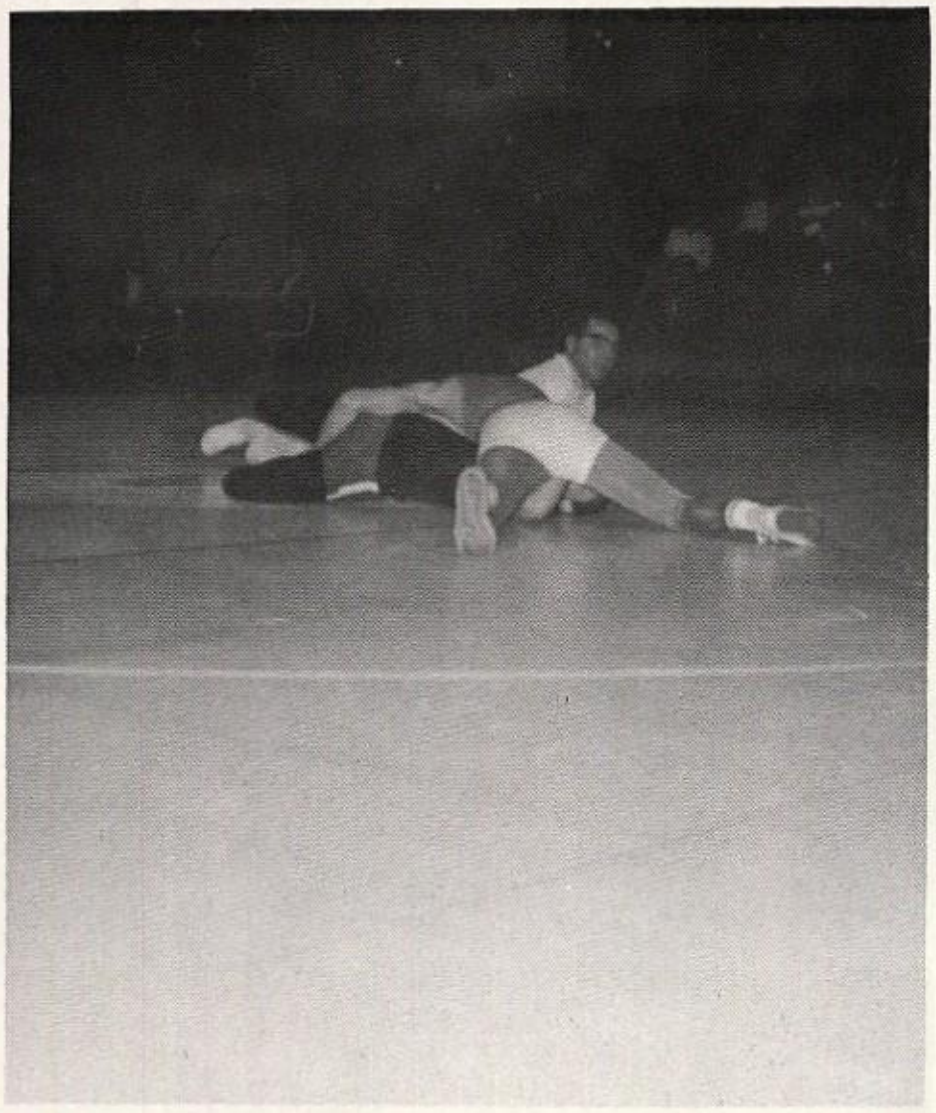
Wrestling



The West wrestling team ended its 1964-65 season February 25 and 26 at the W.N.C.H.S.A.A. tournaments. The team ended the season with three wins, seven losses, and one tie. There are twelve weight classes on the team; if there is more than one boy in each weight, they wrestle a preliminary match the day before the regular match. The winner of the preliminary match wrestles in that weight division for the team. To letter, a boy must wrestle in five matches or score eight points for the team. The coach names two captains for each match.

I...I am here...alone, proud, ego, me...ready to conquer but unwilling to fight...aware of voices...another I?...more I's...Slowly the realization dawns: not I, but WE!...learning, showing, fighting, sharing!... four classes of I's now shining as four interdependent WE's.

Life's a medley of transcriptions, footnotes, and research papers... Lady Macbeth walks in our sleep, excitement bubbles in our hearts as class rings are slipped on for the first time. We become sentimental... even over the teachers who have worked us to death... because we are Seniors!

Almost everything we do assumes extra importance ...because it is the last time! Precious moments to be stored in our treasure chest of beautiful memories! "Pomp and Circumstance" rings in our ears as we prepare to leave this place that now seems our own.

We don our caps and gowns for our last appearance at W. R. H. S. A farewell to our days here... some happy ... some sad, but all worth remembering! Looking forward to the future... college... careers... armed forces--Ready to take our places as tomorrow's citizens!

The past: unfamiliar, then experienced... untried, then proven... strife, then unity... disillusionment, then growth... defeat, then victory... empty, then filled...

The future: a realization--not "they", but "we" ... not then, but now... life unfolds to full-blown peace, fulfillment, and promise through self-knowledge, change, and growth... not individually, but collectively, holding fast, guiding... together...
